## HAITI MISSION TRIP NEEDS

Many thanks to all who contributed their empty medicine bottles to the Haiti Missions trip in December. Your response was overwhelming! We no longer are in need of medicine bottles! Our current needs include toothpaste (any size), toothbrushes, Band-Aids (any size and shape) and men's neckties. The men in Haiti would love to wear a necktie to church on Sundays. Please leave your donations in the box on the floor near the New Room or in the pink container in the Fish Bowl. Thank you for all you are doing to help the missions trip group and the people of Haiti. There will be a team meeting Sunday, July 24 at 11am in the New Room

## **MESSAGE NOTES**

Large Print: Large print hymnals are available from an usher.

Hearing Loop Installed: PCUMC has installed a Hearing Loop in our sanctuary to assist those with hearing loss to hear more clearly during services. A Hearing Loop is an assistive listening system that transmits sound directly into one's hearing aids or cochlear implants rather than depending on sound coming from the loudspeakers. To receive the Loop signal, manually activate your T-coil or telephone setting on your hearing aid or cochlear implant. If you don't know if you have a T-coil or whether yours is properly programmed, consult with your audiologist or hearing aid professional. If you don't wear hearing aids, ask to use a Loop receiver to receive the sound. This can be obtained at the sound booth in the back of the sanctuary or from an usher. If you have further questions about Looping, please contact the installation company, Complete Hearing Solutions, at www.CompleteHearingSolutions.org or call 727-260-3488.
