

MINUTES OF FINANCE COMMITTEE MEETING

April 8, 2013

On April 8, 2013 the Finance Committee met and the attendees were: Tom Marshall, Mike Sniecinski, Mike Hald, Carol Hansen, Sue Edmiston, Nancy Bosserdet, Bob Burr, Joe Wilcek, Pastor Brian, and Frank Hansen.

The agenda was approved. The minutes of the March 4, 2013 meeting were approved.

Nancy provided a financial report which showed church expenses exceeded income by \$24,862.27. This was due, in large part, to paying all of the church insurance in advance.

It was also stated that account 3010 (tithes and gifts to operations) was \$11,455.16 behind budget. At this time of year when snowbirds are beginning to leave, there should be a surplus. This must be watched carefully as the year progresses. Even considering the above, our church is in very good shape financially.

A motion was made by Mike Hald to provide Meals on Wheels with \$4,500 for modifications to their thrift store. These modifications will hopefully increase sales. The motion was passed. The money will come from fund #205.

Under new business, a committee was established consisting of Joe Wilcek, Mike Sniecinski, Katherine Warden, and Frank Hansen to work on a church advertising program for 2014.

There was no other old or new business.

Pastor Brian closed the meeting with prayer.
