PCUMC is privileged to have several octaves of Schulmerich handbells and willing hands to ring them. The Wesley Ringers meet weekly on Wednesday mornings for practice and play one Sunday per month, generally October through May, under the direction of Fred Wagner and the organizational skills of Barbara Deaton.

New ringers are always welcome. Experience with handbells is not required; some ability to read music is a great asset. Contact: Fred Wagner (941) 347-7191

Bread Pick-up Ministry

A simple way to help others is to pick up bread and pastries from Publix grocery and deliver these to the Homeless Coalition or to Trinity UMC for their lunch program. We need drivers for five days per week (Monday —Friday) to drive to the Publix on State Road 776 before 7:00 A.M. and deliver the goods to the Homeless Coalition or to Trinity UMC. Contact Chris Burr to join this ministry 941-764-1866.

Chancel Choir

Choral music has been a staple of the worship life of the Christian church for centuries and PCUMC is proud to continue in this strong tradition. Our Chancel Choir meets weekly on Wednesday evenings and sings for services every Sunday throughout the choral season (September through Trinity Sunday, generally late May or early June). New members are always welcome; the ability to read music is a great help, but not a requirement; being able to sing on pitch is essential. Please contact our director of music, David deSilva, for more information (ddesilva@ashland.edu; 941-764-6047).

The Wendy's coupons will be available at the Welcome Center throughout the year. Our church receives 15% of each sale for the "Children's Summer Lunch Program." One doesn't realize how many folks actually sleep in their car, until you hear their stories on Thursday afternoons. Health Ministry

The United Methodist Church recognizes that the physical health of the individual is linked to their spiritual and mental well being. Thus the health ministry focuses on wellness including healthy lifestyle, education and prevention. A member will not necessarily be someone who practices in the area of health care. Anyone who is

passionate about the health of the community can be an effective member of the ministry. The Health Ministry committee meets every two months.
