

**Port Charlotte United Methodist Church
Church Council Meeting
Monday, November 2, 2015**

Bob Burr called the meeting to order.

Because the meeting regarding church usage was paramount tonight, all topics, except the Synergy Plan outlined below, were postponed until next month.

New Business

Sandy Segur presented an Event Synergy Plan entitled My GIG which stands for Millennial Girlfriends in God. It will be a Wednesday Night Out new group program for young women (approx. ages 18-28) of our church family providing a creative, supportive fellowship to know God as the one who truly cares and to experience expanded concepts of mission and soul searching. This will be accomplished through the United Methodist Women Reading Program and other sources. Guest speakers will be invited relevant to subject matter. Linda Anderson moved that this program be approved; Doris Hixson seconded; motion carried.

Pastor Brian suggested a companion ministry for young men.

Sandy Segur will provide to Council next month a list of young people who fit into this age group.

Closing

Terry Hixson gave the benediction.

Minutes submitted by Joan Sniecinski, Secretary
