

### *Start the New Year Well*

We believe that Jesus makes a difference in our lives!  
We believe that being in regular connection with others helps us to grow! As you're making plans for how 2021 is going to be different, how it's going to be better, I want to invite you to come and discover the difference that regularly connecting with Jesus in worship can make for you. Jesus comes to us, full of grace and truth, offering us life to the fullest. Let him make a difference in your life this New Year!
